WORKSHOP INSTRUCTOR PROFILES:

DIANA JOHNSON I enjoy encouraging others to explore the visual arts and am looking forward to workshops that welcome all ages to participate. In addition I would like to offer fun, easy workshops such as paper-making.

LESLIE HAMREN Prior to making and selling her artwork (and reprints), she worked in advertising and owned a store in Portland, (Portobello). She is now working in interior redesign. She loves being primitive in her approach to art - easy, flowing.

KAT GILLIES Kat designs and implements art programming for 4-12 year olds, with an emphasis on collaborations, roots of the elements, principles of design and advocacy of the liberated moment "swallowed whole".
