O.F.W Wine Clubs

OFW Favorites \$45 month 3-5 wines

This will be a mix of wines that impressed us with their quality and price; these wines can range from the US to all over the world. This is a good choice for someone who wants to get their “foot in the door” towards wine appreciation. OFW club members will have the option to choose white or red only or a mixture of both.

OFW Northwest \$75 month 3-5 wines

Each month we will select some of the best wines the Northwest has to offer. We will focus mostly on Washington wineries, but some of our neighboring states and provinces might find their way in there as well. A great choice for someone wanting to explore the exceptional wines the Northwest has to offer. This option will include mostly red wines with a few whites, depending on the season.

OFW Global Selection \$95 month 3-5 wines

Every month we will select a theme to explore and learn more about, whether it is comparing wines from a particular region or comparing grape varieties grown half a world apart. This is a nice choice for someone wanting to expand their global wine collection. Wines will be mostly red with a few white.

OFW wine club members will also be eligible for a 10% discount on the featured monthly club wines.

OFW wine club members will also be eligible for a 10% discount on any of the wines being offered to other OFW wine club members on day of pick up.

OFW wine club members will also be invited to OFW special events such as guest winery pouring and tastings, and guest speakers teaching about wine.

Pick up will be on the third Thursday of each month and OFW members are welcome to stay and taste the featured wines for free.

The new owners of Old Fairhaven Wines are trying to give to the public a fun and relaxed place to shop for wine staying with our motto of “Wine for Everyone”.
