## 2011-12 CSC Trip Announcement

For the ninth year in a row, the club will go to **Breckenridge** in December. The bus will leave Wednesday evening, December 7, 2011, for three days of skiing. Depart Saturday evening (after skiing) and arrive in Lincoln Sunday morning, December 11.

**Crested Butte** is the destination with the Flatland Ski Association this season. The bus will leave Lincoln Tuesday evening, Jan. 24, 2012. The board hasn't decided if we will stay over Saturday night. If you have strong thoughts either way, let a board member or trip coordinator know. Our last trip to this great destination was in January, 2000 and there have been many changes at the resort. There are new meeting and lodging facilities along with mountain run changes. This will be a great trip to ski a renovated resort area.

**Beaver Creek** Resort is our third destination. At this time, it will be a "find your own transportation" trip so lodging will begin on Sunday, March 4, 2012, with checkout on Friday, March 9. There will be a 4-day lift ticket included for Beaver Creek, Arrowhead and Vail. We will be staying at the Seasons at Avon. There is a gondola to the top of Beaver Creek just a short walk away from the 2-bedroom condos or a bus available to transport you to the base area. Lodging has shopping, grocery store and restaurants nearby so it will be easy to get out in the evening. A bus will be considered if there is enough interest.

## WANTED: TRIP CAPTAINS

Our club aims to provide enjoyable trips for our members and an organized trip captain will help the skiers have a great vacation. We are looking for members with leadership, organizational and people skills to run the trips. We are taking applications for these three trips so contact Steve or Patsy Meyer at 402.423.6614 or [blueskies@inebraska.com](mailto:blueskies@inebraska.com) for more information and to apply.

Responsibilities include:

- Work with the trip coordinators to prepare for the trip.
- Prepare a descriptive trip flyer for prospective skiers and monthly articles for the Mogul to advertise the trip.
- Attend the monthly meetings prior to the trip to promote the trip, answer questions and collect trip payments.
- Maintain financial records of trip signups and collection of trip payments.
- Work with the trip coordinator to prepare a rooming list for the resort.
- Provide trip participants with a trip info sheet with details relating to the trip.
- Host a pre-trip party for trip participants to meet each other and obtain trip info sheet.

Being a trip captain is a great way to meet other ski club members. You will receive trip credits for the trip based on the number of participants.
