Beaver Creek/Vail Trip—March 4-9

Automobiles, SUVs, trains and a bus provided transportation to 25 CSC club members for skiing the week of March 4th at Beaver Creek and Vail. The members stayed at the Seasons at Avon condos, finding it very convenient for skiing Beaver Creek. The gondola was right across the road so we were treated to beautiful scenery while being spirited to a lift each morning to ski the runs at Beaver Creek. A shuttle bus at the base of Beaver Creek was also available and was often used in the afternoon after gorging on fresh chocolate chip cookies offered by the mountain or the s'mores offered by the Hyatt. Great apres' ski food!!

Monday was our first day of skiing and we were greeted with bright blue skies. Of course, you know that means the runs were a little slick until the snow softened a bit which proved to be the introduction to similar days all week. That night, the lodging company hosted a wine & cheese event for the members followed by a lasagna dinner provided by the club complete with desserts made by the trip captain,

Hollis. It was a good time to get to know new member, Laura Williams and returning members Connie Jensen and Bob Simard.

Several of the group took the opportunity to ski Vail during the week. On Tuesday, the temperatures hit 50 degrees and brilliant sunshine again brightened our day of skiing. We had a skiff of snow Wednesday afternoon. The instructors called it "dust on crust" and that was our only fresh snow for the week. On Friday, five skiers took the optional lift ticket and enjoyed another sunny day of skiing. The EpicMix card tracked the runs and lifts that were used each day by the club members. It was fun to see how many vertical feet were skied by the end of the week and compare notes daily with the other skiers.

Local restaurants were sampled and enjoyed in Avon, Beaver Creek, Vail and Minturn. Everyone had an enjoyable week on the slopes with the sunny weather and warm temperatures.

February CSC Meeting

There are many non-profits in our community to capture our hearts and attention. CSC member Teresa Ingram volunteers for Cause for Paws and introduced its manager, Jane Powell, to share the Cause for Paws story at our February Club meeting. As a non-profit that donates funds to other non-profits, Cause for Paws has provided more than \$200,000 to support our community's companion animals. You can learn more at www.causeforpawslincoln.org.
