Steamboat Springs Ski Resort had so much powder last year FSA decided to hit the slopes again this year for our annual FSA trip. Steamboat sure did live up to their “claim to fame” of having Champagne Powder! The mountain has around 3,000 acres of terrain with lots of diversity for skiers and boarders of all levels. Steamboat is family friendly, **lower in altitude**, plus great food and drinks! Their annual snowfall is around 336 inches and we will be in the snow globe. There are only a few spots available on this trip.

DATES: Depart Tuesday, January 21, 2020, on Windstar Lines. Load in Lincoln at 7:00 p.m., depart at 7:30p.m. We will ski Wednesday through Sunday and return early Monday morning, January 27. (Add your name to a list for an available single bunk for \$80.00 round trip). Bus will load Sunday at 3:30 p.m. and depart at 4:00 p.m. with a stop along the way for a quick fast-food dinner.

CONDOS: We will be staying four nights at Ski-Inn. Skiers can ski to the condo but will need to walk out or ride the shuttle. There will be a club pizza party the first night.

TRIP PRICES (without lift tickets): \$600.00 includes bus, 4 nights lodging, bus beverages, FSA activities and pizza party. Subtract \$160 if you are drive/fly out.

LIFT TICKETS: A 4-day lift is available for \$276.00 with a 5th day optional for \$49.00. No Senior Discount. Other options are available, i.e. 3-day, etc. Subtract \$69.00 from 4-day trip price for each day less. If you have an **Ikon Pass** there maybe some changes this year so please email or text Jenny with your number.

FSA ACTIVITIES: Meals & dancing will be offered on Thursday and Saturday evenings with free beer from our Boulevard sponsor.

For this year’s FSA races there are two new categories. The first is for women that would like to race on a more difficult race course. They can opt to race on the same course as the men as part of the earlier morning men’s group. At Steamboat this means starting from the higher start which is the same start as used for the Thursday optional Open race. All entrants will be ranked based on best handicap on the two courses with no age brackets or handicap adjustments. The top 3 will be recognized and it will be scored the same as any other bracket.

The second new category is for men who want to race a less difficult course and not racing from the higher start at Steamboat. Like the above example they will run with the afternoon women’s brackets as a separate category. They will be scored and recognized as one combined group based on handicap with no age adjustments.

If you are interested in switching to either of these new options please advise Hollis as race director so you are seeded in the group you choose. Otherwise, you will be entered in the challenge race in your age category. You may also be interested in the snowshoe races.....Cornhusker's have both an A & B team.

The Copper Mountain trip is FULL. With such interest in this trip we may look at the possibility of adding another condo if we have at least two more skiers. Please contact Tom Becker (trip captain) as soon as possible. It's the time of the ski season when Colorado typically gets some big snow dumps so skiing should be fantastic! Our condos are at the main mountain village within a few minutes walk of the American Eagle/Flyer express lifts.

Our condos are 2-bedroom, 2-bath units with minimum occupancy (4 people per condo) and we have reserved pillows for 24 skiers/boarders.

Jo Morris from Lexington and Deb Brown from Lincoln are looking for a ride to Copper and back. If you have room in your vehicle please contact them.

Lodging for Wednesday evening can be added for \$45 person using the change rooms.

TRIP INSURANCE

It's been said that trip insurance is never needed until it's needed.
What should you know about trip insurance?

- You must purchase trip insurance coverage before it is needed. Once you recognize the need, it is too late to protect your trip.
- After the initial trip payment is made and you have a good grasp of your total expected trip cost, it is good time to get the most accurate quote.
- An example of coverage for a \$1,500 trip within the United States for a 60-year-old is approximately \$63 through www.insuremytrip.com.
- If you need coverage for a pre-existing medical condition, there are time-sensitive eligibility requirements tied to your initial trip payment and you may have a limited amount of time to buy a plan.
