Trip Insurance

It's been said that trip insurance is never needed until it's needed.

What should you know about trip insurance?

- You must purchase trip insurance coverage before it is needed. Once you recognize the need, it is too late to protect your trip.
- After the initial trip payment is made and you have a good grasp of your total expected trip cost, it is good time to get the most accurate quote.
- An example of coverage for a \$1,500 trip within the United States for a 60-year-old is approximately \$63 through this site at www.insuremytrip.com.
- If you need coverage for a pre-existing medical condition, there are time-sensitive eligibility requirements tied to your initial trip payment and you may have a limited amount of time to buy a plan.

Monthly Cornhusker Ski Club Meetings
3rd Tuesday of the Month at 5:00 p.m.

Oct. 20 — Nov. 17 — Jan. 19, 2021 — Feb. 16, 2021

FIRST MONTHLY MEETING HELD AT ANTELOPE PARK

Tuesday, September 15 was the first monthly meeting of the Cornhusker Ski Club. To maintain the social distancing the board voted to meet at Antelope Park. Bottled water was provided. Weather permitting the next monthly meeting will be at the park on October 20 at 5:00 p.m.

Jerry Obrist called the meeting to order. Hollis Anderson and Teresa Ingram described how their respective trips may look for this coming season. Thank you Steve Meyer for all the work you have put into organizing these two trips. The first one to Aspen/Snowmass and the FSA Telluride trips. Many skiers signed up for the trip of their choice at the

September meeting.

At the monthly meeting in October there will be an opportunity for paid members to receive a raffle ticket to be entered into a drawing to win one of four trip certificates. You could be the next winner but you have to be present at the monthly meeting to be eligible.

Travel to Colorado during the Pandemic

We recently spent a week in Colorado split between Summit County and Aspen and thought it would be helpful to our members to describe what conditions to expect. Even on the hiking trails many people wore some sort of face covering. We had take out dinner once and ate at an outdoor restaurant for lunch once but otherwise cooked in our condo. Colorado is under a statewide mask mandate and it is almost universally followed. The downtown area of Aspen is also under the same mandate outdoors except when you are eating or drinking. They have closed streets to allow more outdoor dining and are adding heaters to use those areas this winter.

The resort areas are trying to operate within CDC guidelines and avoid serious

outbreaks that might require closures. Current COVID-19 status is available on the county websites. This winter CSC has trips planned to Snowmass (Pitkin County) and Telluride (San Miguel County) which both currently have much lower numbers than our area. Both planned trips have full kitchen condos and close grocery stores. The ski area websites have their current operating plan available. Face coverings are going to be required on lifts and lift lines along with lift ticket sales restricted to limit crowding. On mountain eating will be open but with limited distanced seating. Under these guidelines, we feel safe travel is possible. Distance and wear your mask.

Steve and Patsy Meyer

At the monthly meeting on October 20 at 5:00 p.m. a raffle ticket will be given to all paid members present. There will be a drawing for **four \$50.00 trip certificates** to be given away. You must be present to win. Plan to attend this monthly meeting at the Antelope Park.

SNOWMASS SKI TRIP in DECEMBER

CSC is heading back to Snowmass this December after experiencing some of the best snow of the season last December. Laughter and ski stories are still remembered from some fantastic early season snow! Snowmass is known for its bluebird skies and can be experienced especially on the Big Burn chair. Speaking of chair lifts, Aspen/Snowmass has released their guidelines for the lifts. Skis will help to separate skiers the 6' recommended distance in the lift lines. The lifts will only allow groups that know each other; otherwise, singles will be spaced accordingly. Face coverings will be required.

TRAVEL DATES are Wednesday, December 9 and Sunday, December 13. This is a drive out trip or you may consider taking the train. Parking will be limited at the condos and there will be remote parking available.

BASIC TRIP PRICE:

The trip to Snowmass for 4 nights lodging will be \$310.00. (Lift tickets are additional charge). Deposit schedule: \$200 initial, remainder including lift tickets at October meeting.

SKI DATES:

Three days of skiing Thursday, December 10 – Saturday, December 12, 2020. Purchase lift tickets per these options: 3 day ticket will be \$204.00, 65+ \$129.00, 2 day ticket will be \$138.00, 65+ 88.00 and if you have your own transportation and decide to ski Sunday before leaving, the 4 day ticket will be \$272.00, 65+ 172.00. You must give your birthdate to the trip captain for your order.

NOTE: If you have the IKON pass, it needs to be IKON PLUS to qualify for Snowmass/Aspen. IKON has various restrictions so please read those carefully as CSC may or may not be able to add after ordering lift tickets.

Your lift ticket will be welcome at all mountains that are open. Aspen Mt, Aspen Highlands and Buttermilk/ Snowmass are all fun mountains with varying terrain. These ski areas are available by free bus transportation with the bus “barn” right by Tamarack. The convenience of this lodging cannot be overstated!!

CONDO: Tamarack Townhomes:

We have contracted for minimum occupancy in 7 two-bedroom, 2 bath units for 28 people. Please consider finding your own roommate as you will be sharing a bedroom and bathroom with that person along with the kitchen/living area. This will make it easier to keep everyone safe in the condo. Tamarack is across the street from the lower base area of Snowmass. There is a pool and TWO hot tubs in the complex. The 6-chair is located at the base area and the gondola leading to the Elk Camp ski area is also within walking distance. A 4 person gondola (probably 2 person unless 4 people know each other) will take you to the Village mall for shopping and restaurants. Ski rental is also available in the lower base area. There is a grocery store within walking distance that has good selections.

FSA Ski Trip to Telluride – January 30-February 4, 2021

At least 30 CSC members are heading to Telluride – and there's still room for more!

PLEASE NOTE: We did get an update from the Flatland Ski Association board that the racing competition will NOT be held this season. There won't be NASTAR at Colorado's resorts and FSA will not undertake coordination of their own races. That said, it looks like there WILL be a new and fun competition among the Clubs – yet to be determined – and Telluride tentatively plans to offer us both welcome and closing FSA banquets, socially distanced with boxed dinners and a DJ for dancing. AND Boulevard will return to sponsor our beer consumption. Isn't that a relief?! **If you signed up already and the "no racing" news changes your plans to be on the FSA/Telluride trip, please contact Teresa Ingram.**

Rated the #1 ski resort in North America by Conde Nast readers, Telluride Ski Resort is recognized internationally as a premier ski and snowboard destination. Telluride's terrain is legendary and has always been revered as the best of Colorado.

The region receives on average more than 300 inches of snow annually and offers more than 2,000 skiable acres for all ability levels. With 300 days of yearly sunshine and no lift lines, the skiing and snowboarding in Telluride is an epic experience. Telluride Ski Resort opened

Revelation Bowl in 2008. This spectacular European-style terrain is situated above tree line and offers advanced and expert skiing in an unbelievably scenic setting. All told, the resort has recently expanded by nearly 400 acres, offering the most stunning skiing and riding on the continent.

Telluride offers a wide variety of terrain ideal for abilities of all skiing and snowboarding levels: Advanced/Expert (41%); Intermediate (36%); and Beginner (23%).

Lodging nights at Mountain Lodge at Telluride (see lodging description below): Saturday, January 30, through Thursday morning, February 4, 2021 (5 nights). [Lodging before or after these dates IS available.] When you sign up for Telluride, you will specify your desired condo-mates, keeping in mind the health safety protocols outlined on Page 3 of this newsletter, which may include mask-wearing while in the condo.

Ski dates: Sunday, January 31, through Wednesday, February 3.

Basic price: [Lift tickets NOT included] \$740; this is a drive/fly out trip, no bus. For new signups a \$600 payment is due by October 20 and remaining balance for all signups is due November 15.

Add-on lift tickets:

Lift ticket payment (and other possible amenities) will be due by December 15 with names and ages.

Adult 3-day - \$270; Senior 65+ 3-day - \$240

Adult 4-day - \$360; Senior 65+ 4-day - \$320

Adult 5-day - \$450; Senior 65+ 5-day - \$400

As health directive measures in Colorado and Telluride in early 2021 are uncertain, it's possible the on-mountain cafeteria-style restaurants may not be open. It would be best to plan to enjoy breakfast, lunch and supper in your condo. Delivery options will likely be available.

Mountain Lodge at Telluride:

The Mountain Lodge is an elegant, rustic hotel resort with condos and cabins. We will stay in 2-bedroom/2-bath and 3-bedroom/3 bath condos, minimum occupancy (meaning no one is on the sofa bed). Offering luxurious accommodations, slope-side convenience, upscale amenities and gracious service, the Mountain Lodge at Telluride delivers the ultimate mountain resort experience. A grocery store is a short shuttle ride away.

Located in Telluride's contemporary Mountain Village resort community, the Mountain Lodge at Telluride is ideally located midway up Telluride Mountain. Surrounded by panoramic views of the majestic San Juan Mountains, the Mountain Lodge at Telluride features three log-and-stone buildings and a main lodge, with a tremendous lobby warmed by an immense river-rock fireplace. Enjoy creative local cuisine and jaw-dropping vistas at The View Bar & Grill at Mountain Lodge Telluride. Named for its spectacular floor-to-ceiling views of the San Juan Mountains, our Telluride restaurant reflects a relaxed alpine ambiance with vaulted timber ceilings and a massive stone fireplace. Share a table and

savor elevated tavern fare surrounded by the charm and elegance of a modern mountain lodge.

Fly into Montrose, Colorado, a 90-minute shuttle ride away. Note that due to the pandemic and health safety measures, shuttles may require all riders be traveling with each other or be prepared to pay a premium price for an individual shuttle. The more in the shuttle, the cheaper per person! Self-arranged shuttle information will be provided as we get closer to our trip.

Drive out Telluride is approximately a 13-hour drive from Lincoln. A vehicle with AWD/4WD is recommended to handle snowy conditions that may be encountered.
