Our first ski trip of the season to Aspen/Snowmass

December 11-16 (a week later than last

year's trip) is in the books. We had 15 skiers from the club on this trip ranging from novice to expert. Most drove out, although a few flew into Denver and Aspen, or took the train to Glenwood Springs and a bus into Snowmass. Once again we stayed at the beautiful Tamarack property conveniently located across from Snowmass Village. Everyone had arrived and was settled in by 7 p.m. on Sunday night.

Snowmass received more snow prior to our arrival than in previous years. Monday was the warmest and most clear day for skiing. Monday night snow fell and made for a cold, powder day on Tuesday. We received small amounts of snow almost every day and night to refresh the mountains. Some of our skiers ventured over to Aspen to ski those mountains on Wednesday. Our skiers reported skiing the first tracks on some of the runs even after lunch and skiing in powder up to their knees at Snowmass. Lift lines were almost non-existent. Thank you to

our booking agent, Julie, who retired; our trip was the last she assisted with.

She skied with us on our last day, was impressed with our skiers skills and enjoyed a great day with the club.

We welcomed a new ski club member on her first trip with us, Loree Kirilloff. She took a lesson to refresh her skills on Monday and was back in the swing of things skiing with other members of the club the rest of the week. Loree was able to enjoy an afternoon in downtown Aspen, taking in the sights and shopping with a new club friend. Glenwood Springs was also visited by club members for shopping, sights and relaxation in the therapeutic hot springs.

Thank you to Steve for all your help with coordinating everything, and helping this new trip captain manage and enjoy this trip. Steve shared his knowledge of the mountain and surrounding communities, with recommendations for dining and general information of the area. Cheers to another year of skiing Aspen/Snowmass!

**TRIP INSURANCE**

It's been said that trip insurance is never needed until it's needed.  
What should you know about trip insurance?

- You must purchase trip insurance coverage before it is needed. Once you recognize the need, it is too late to protect your trip.
- After the initial trip payment is made and you have a good grasp of your total expected trip cost, it is good time to get the most accurate quote.
- An example of coverage for a \$1,500 trip within the United States for a 60-year-old is approximately \$63 through [www.insuremytrip.com](http://www.insuremytrip.com).
- If you need coverage for a pre-existing medical condition, there are time-sensitive eligibility requirements tied to your initial trip payment and you may have a limited amount of time to buy a plan.
