

boosts skin luminosity and radiance.

dropper bottle 15 ml

for all skin types especially dull, uneven skin with signs of aging, lack of radiance and reduced clarity

lumiskin™ a chilean bark extract that inhibits the transfer of melanin pigment to skin cells and minimizes the appearance of dark spots

chronodyn™ to improve skin cell metabolism and microcirculation, boosting skin vitality, redefining facial contours and softening lines and wrinkles

micromerol™ an apple fruit extract to combat loss of elasticity and firmness in both chronologically-aged and photo-aged skin

peptide complex retinyl palmitate, acetyl hexapeptide-3 and palmitoyl pentapeptide-3 boost the skin's collagen and elastin production, pivotal for rebuilding diminished elasticity and firmness for younger and firmer looking skin

vitamins, amino acids and polyphenols vitamin c (ethyl ascorbyl acid), vitamin e (tocopheryl acetate), thiotaine and pomegranate derived ellagic acid to help skin prevent the mutagenic action of damaging environmental pollutants

niacinamide increase the production of ceramides and fatty acids to protect and strengthen the skin's barrier

directions after cleansing and toning, moisten the face with hydro essence and apply 3 -5 drops by smoothing over the entire face then gently tapping into the skin until fully absorbed. follow with your normal skin care routine. use morning and night.

INCREASED SKIN FIRMNESS
AND ELASTICITY

A luxurious skin perfecting essence with a synergy of precious high-efficacy ingredients.

Features Enriched with a blend of peptides, antioxidants and resurfacing actives, this skin perfecting essence works to diminish the appearance of imperfections, revitalize dull, fatigued skin and boost luminosity and radiance.

Actives Lumiskin™ | Chronodyn™ | Micromerol™ | Argireline | Matrixyl™ | Retinyl Palmitate |

With five modes of action for total skin transformation.

Brightens Minimizes melanin transfer to diminish the occurrence of dark spots.

Clarifies Promotes a healthy cellular turnover rate for optimal skin clarity.

Repairs Counteracts the mutagenic actions of free radical damage and environmental pollutants.

Strengthens Increases ceramide production and cellular metabolism to help protect the skin barrier.

Smoothens Boosts collagen and elastin for smoother, firmer skin.

benefits

mimics the effects of laser skin rejuvenation:

- + improvement of the depth of fine lines and wrinkles
- + reduction in brown spots and uneven blotchiness for improved skin clarity
- + improvement in skin texture and smoothness with a refinement in pore size
- + firmer skin with lifted and more defined facial contours
- + enhanced skin vitality and metabolism
- + improved cellular renewal for a healthy, radiant glow
