

South Coast Rail Westport Community Priority Area 5-Year Update

Public Meeting

June 4, 2013 at 6:00 PM Town Hall Annex 856 Main Road Westport, MA 02790

What are Priority Development Areas (PDAs)?

These are areas that are appropriate for increased development or redevelopment due to several factors including good transportation access, available infrastructure (primarily water and sewer), an absence of environmental constraints, and local support.

What are Priority Protection Areas (PPAs)?

These are areas that are important to protect due to the presence of significant natural and cultural resources including endangered species habitats, areas critical to water supply, scenic vistas, and farms.

Who chose the PDA and PPA locations?

During 2008 and 2009, local residents, business owners, and officials worked alongside their Regional Planning Agencies (RPAs) to designate PDAs and PPAs.

Why are we updating our designations?

New data becomes available and priorities change. The 5-Year Update is an opportunity to confirm choices made during the 2008-2009 process, to revise previous designations, and to make new choices that acknowledge new conditions.
