Our steel and fiberglass doors will not crack, buckle, warp, delaminate or rust a period of 20 years.

DECORATIVE DOOR LITES - 10 years limited warranty

All decorative and commodity insulated glass units are warranted for a period of 10 years against any obvious inclusions, damage or obstruction due to manufacturing workmanship or seal failure. Discoloration or fading of coming is normal and is not covered under this warranty. Cracked glass due to thermal shock on all 'commodity' and decorative glass only is covered for a period of 1 year.

PAINTED STEEL, FIBERGLASS PAINTED/STAINED DOOR, SYSTEMS & SOLID PVC FRAME –

10 year limited warranty

Painted steel or fiberglass doors and solid PVC frame are warranted for a period of 10 years against such defects in material or workmanship that might result in peeling, flaking, blistering and chalking (uneven discoloration). Direct sun lights can destroy clear coating of stained fiberglass door. To prevent this process, customer has to renew clear coating periodically. Call us for more details.

SOLID PVC or COMPOSITE FRAME (White colors) – 20 years limited warranty

Our UV stabilized solid PVC or never rots white composite frame is warranted against such defect in material that might result in blistering, flaking, corroding and chalking (uneven discoloration). Exposure to sunlight, normal air pollutants and normal atmospheric conditions can cause vinyl surfaces to gradually and evenly fade or suffer an accumulation of surface dirt or stains and are not covered by the guidelines of this warranty. This warranty will VOID if harmful solvents of any kind are used to clean any surface. It is recommended that the use of a liquid solution of mild household soap (Windex, white Vim or Mr. Clean) and water be used in conjunction with a soft sponge or newsprint to wipe off any accumulation of surface dirt.
