

### ***Winter Social Thank You***

The Friends of Saint Matthew Inc. extend a “Huge Thank You” to everyone who attended and supported the Winter Social on Saturday, March 2. This was another enjoyable gathering of families, friends, teachers, alumni, parishioners and others who had lots of FUN celebrating Saint Matthew Parish School.

Jim Smink was the lucky winner of the 43” Plasma TV. Lots of other people went home happy with their hands full of wonderful and valuable gifts included in the 53 baskets that were raffled.

The evening was a success due in part to the kindness of the local business community, organizations and individuals who provided contributions.

The Parish and School community recognize the following sponsors and appreciate their generosity. Please support these local businesses, merchants, and other organizations.
