PARTNER | ADVERTISE | SHOWCASE

V2L Events is pleased to announce your venue has been selected to participate in the vetting process for ThĒShowcase Networking Affair's 2013 Series. Serving as the event manager & producer, we seek to find event venues for hosting **ThĒShowcase** quarterly networking affairs (three opportunities) and **The 2nd Annual Entrepreneurial Honors**, a red carpet awards show & reception. Your venue met the initial criteria and we now invite you to submit a proposal to host us in 2013. This information packet is designed to acquaint you with our growing network of business owners, our events, and our sole mission to connect, network, and promote our affiliated members, partners, and sponsors.

The unique structure of ThĒShowcase incorporates opportunities to showcase the host venue in a way that far exceeds a simple program or website listing. Our intent is to intentionally foster possibilities for our Affiliates and attendees to consider hosting their next corporate or social function at your venue. Your venue has the option of submitting a proposal with partnership support or a general proposal with all applicable pricing included. All proposals will be reviewed for consideration and promotional opportunities will be commensurate to level of support given.
