ADVERTISE WITH US!

The Entrepreneurial Cooperative is pleased to assist in getting the word out about your business offerings available to entrepreneurs and business professionals. We make available opportunities that will provide great exposure for companies and organizations to our targeted audience and the general public.

Our integrated marketing opportunities allows for effective, yet cost efficient, promotion of products and services that will benefit our Affiliated members of The Cooperative.

Advertise in our quarterly event publication, online on our websites, or utilizing viral marketing campaigns via our social media channels.

ONLINE AND PRINT ADVERTISING

Drive traffic to your site and expand your reach to a potential client base with online advertising as we market and promote to our Affiliates and targeted demographics on our websites and social media outlets. Our site will serve as a resource hub for those looking for quality recommendations for products and services to assist in business operations and event support.
