## FOOTBALL

Tom Coyle, Head Coach

Global Ireland Trip 2012

While the journey of the Father Judge Football team traveling to Ireland took place over a six day period in August, the journey truly began about 18 months before. For nearly a year and a half a staff, team, school, and neighborhood came together to make an opportunity that seemed impossible become a reality. As a teacher and coach that may have been perhaps the most rewarding experience

The Father Judge Bowling Team gathered together before a very important match.

Coach Coyle led the Crusaders for a Parade through the streets of Dublin Ireland

## BASKETBALL

Seat Tait '95, Head Coach

The 2013 Basketball season started off with some unanswered questions. Having only three returning players with Varsity experience, and no returning All-Catholic players, we had to figure out which players were going to be the consistent scorer, rebounder, and play

maker. Seniors Sean Hanna and Brandon McGuire, and junior Malik Robinson answered the call. Sean Hanna made it evident early in the year that he was a force to be reckoned with beyond the arc, by posting double figures in all 8 non-league games. Brandon McGuire, being new to the program, found his niche and became an inside force, ultimately rewarding him with 2nd team All Catholic honors. High flying Malik Robinson, showed his athletic prowess on the inside and out, and drew many a gasp from the crowd with his athleticism. Malik can also add 2nd team All Catholic honors to his credit. Senior forward Jeff Siegafuse, and sophomore Will Brazukas, both played key roles this season. Jeff was given the role of stopping the other team's best players, and point guard Will, playing Varsity for the first time, did an outstanding job in his role. Junior James Bogans, and sophomore Aaron Higgins brought additional spark to the team.

In a league that is by far the best in the state, the Crusaders finished in 9th place, and qualified for the PCL playoffs for the fourth year in a row. With very competitive efforts, the team dropped a few heartbreakers to the Prep by 8, and Ryan, Wood and McDevitt by a total of only 9 points. Going head to head with McDevitt in the playoffs, and only down by one with 4 minutes to go, McDevitt prevailed and won 56-46. The Basketball program would like to thank the entire senior class for their hard work and persistence. You will always be a part of the Crusader family. Best of luck to Sean Hanna, Jeff Siegafuse, and Brandon McGuire, who are all being actively recruited by many quality colleges for their basketball contributions.

## BASEBALL

Timothy Ginter '94, Head Coach

Saturday February 23, 2013 the Baseball Program hosted the 7th Annual Baseball Hall of Honor at Bridgemans Hall. Inductees included: 1982 PCL Champions, Ron James (1964), Mike Dufner (1970), Rich Greenfield (1975), Paul Gallagher (1975), Paul Mazurek

(1982 dec.), and Stan Brach (1982).

As has been the case, the 7th Hall of Honor was very well attended and a great time was had by all. Since its creation in 2007 attendance has been great and the night remains a great chance for teammates to get together and reminisce about their time wearing "Red and Blue." It continues to amaze me how some of these former Judge greats continue to remember games 20, 30, 40+ years ago like it was yesterday.

One of the highlights of the night was an appearance of Joe Bonikowski (1958). Joe was inducted in the first class of the Hoff but was unable to accept his award until Saturday night. Coming up from Charlotte, NC Joe (the first FJ baseball player to play professional baseball) gave a great speech and many people who had known of the stories of Joe were happy to meet him.

The tradition will continue again next year. The 8th Annual Baseball Hall of Honor will once again be held at Bridgemans Hall on Saturday February 22, 2014.

## CROSS-COUNTRY

Kevin Carroll, Head Coach

The Cross-Country team finished its season at Belmont Plateau. Judge finished 5th for both the JV and Varsity squads at the PCL Championships last fall. The Varsity team was lead by seniors Eric Murray and Shawn Brown who placed 13th and 17th respectively. All 6 Judge guys in the race placed in the top 36! The team finished with 3 First Team All-Catholics, 2 Honorable Mention All-Catholics, a regular season record of 18-2, Northern Division Champs runner-up and multiple medal winners (31 total) at Invationals this year! Incredible! Judge hasn't seen these results from the XC team since the mid to late 1990s!

## SOCCER

John Dunlop, Head Coach

The soccer team started the season with great expectations and a shot at another Catholic Championship, but those dreams were somewhat crushed less than 10 days into camp with season ending knee injuries to Senior captain Justine Hiltwine & Senior captain Steven Smeck.

Those injuries forced the team to regroup, focus on our goals, and provided opportunities for other players to step-up and contribute. After overcoming the early injuries, they started to play Judge Soccer and worked their way to a second place Catholic League finish. Their 1st round quarterfinal playoff match up was against Archbishop Wood with at least 1000 fans in attendance. FJ, losing 1-0 and playing with only 10 players due to a red card, found the equalizer with three minutes left to tie the game at 1 to end regulation. Judge eventually pulled out a double OT victory when JR, Joey Hansen drilled the go-ahead goal. In the semi-finals, the Crusaders matched up against St. Joe's Prep. Once again the boys prevail 1-0, by playing man to man the entire game against the Prep's best to players to move onto the PCL Championship against La Salle for the second straight year and four out of the past five years. With Superstorm Sandy putting the game and practices on hold for several days the Crusaders looked rusty and confused as they did back in training camp when losing their top two players, and subsequently lost the game to La Salle. Much credit should be given to the boys and their coaching staff for their hard work and ability to overcome obstacles for another successful season. The Soccer Program and its players proved once again why they are the class act in Southeastern PA.

The team was ranked for the eighth time in a row for both polls, Top Ten for the Philadelphia Inquirer #9 and Top 20 for the SEPA Coaches Poll #7.

## GOLF

Whitely Sullivan, Head Coach

The Golf team ended the 2012 regular season in 8th place in the Catholic League with a record of 7-8. The 8th place finish secured our sixth straight season in the Catholic League Playoffs. Coming off an individual Catholic League Championship, junior captain Connor Sharp dominated his competition once again this season. Connor finished with the second highest scoring average in the entire league (15.74 out of 16). Connor's dominance earned him his second consecutive All-Catholic honor. The team did not fare as well as our captain, we finished 8th in the team competition and no other individual qualified for All-Catholic at Catholic league champs. However, Connor went on to the District XII championship but fell a few strokes short of qualifying for the next stage of the PIAA state tournament. With a slew of returning talent, we will be poised to make another run at the Catholic league championship in 2013.

Golf All-Catholic:

Connor Sharp (2nd consecutive)

Joey Malvestuto heads a goal on the newly-renovated RAMP soccer field.

## Strategic Planning Committees Working Hard

The Board of Advisors initiated Planning Committees to develop a 5-Year Strategic Plan. Since November, 12 committees made up of Judge alumni, faculty, staff and community leaders have worked diligently to set the course for Father Judge High

School for the next five years. The Chairs of the committees will present their goals and objectives along with individual plans to the Steering Committee in late June. The committees are as follows: Admissions & Marketing, Athletics, Budget, Building, Brissan Center, Development, EITC/OSTC, Salesian Spirituality, STEM Center, Student Life, Technology, and Track & Field.

A full document will be developed for all to view in the fall of 2013. A special thanks to all the alumni and friends who are now serving on our committees.

## GOOD NEWS

Judge graduate Vince McGovern '89 will be awarded the 2013 NCEA Distinguished Principal Award for the Northwestern States region by the National Catholic Educational Association in Houston, Texas this April. Vince attended St. Matthew's and is currently the Principal at Our Lady of the Lakes in Seattle, Washington.

## JUDGE GRADS A LASTING LEGACY FOR FUTURE CRUSADERS

Over the past two years several Judge graduates have met with Judge President Father Campellone OSFS, Director of Advancement, Brian Patrick King '97, and the FOFJHS to discuss setting up funds to assist current students and future students the opportunity afford a Judge education. Each fund has its own criteria and selection process which includes input from the family as well as the administrators and teachers.

When asked why this was important to himself, and his family, Thomas Peters '93 founder and Chair of the Edward A. Peters Memorial Scholarship replied, "Father Judge has been an important part of my life and my family's life because of what Father Judge gave us. It gave us an environment that we could grow and experience what we think high school is all about: fun, friends, school spirit, athletics and academics. The friendships and memories you make at Father Judge are not just in those four years; they are life-long. My best friends today are still my FJ friends, even with going away to college and living in New York for eight years. Everyone

should have the chance to experience the great atmosphere that Judge encourages and we want to make sure that it continues."

When speaking about these new funds at a recent FOFJHS Board Meeting, Brian King was quoted, "As this new method for assisting existing and future Crusaders has begun to expand, we continue to see the special bond Judge Guys have, not only for their own classmates and traditions, but for those students in the classrooms today and those who will be in those seats in the future. As one of those Judge Guys myself, I see this current movement as just another reason why our school and our alumni are like no other in the diocese, and why I believe we will be around for a very long time."

As a result of the kindness and generosity of the individuals, their classmates, friends and family, the following funds have been established: Edward A. Peters Memorial Scholarship, Lt. Robert P. Neary '70 Memorial Scholarship, Addario Family Scholarship, and Michael Kilderry '64 Memorial Scholarship.

## Alums Coming Back to Give of Their Talents to Help Judge

Recently many have heeded the call to come back to Judge literally! During the course of a day, many students are noticing new adults walking the hallways. Who are they? They ask. Are they teachers? No. Are they coaches? No. Do they work for the Diocese? No.

Who are they you ask? Well, they are Judge Alums giving their time and talents for free! As many of our alums know, Fr. Joe frequently asks alumni to come back and visit or tour the school. Many times those visits turn into being a part of the everyday operations of the school. So, let's take a look at some of the many Judge alumni who once again are walking the hallways. Pat McGonigal '81 is now serving as Fr. Joe's CFO. Pat even has an office and gives freely of his time two full days a week. Jim Maloney '69 who recently retired is now back at Judge serving as Fr. Joe's Chair of the Athletic Committee and now spends a lot of time at Judge overlooking our Athletic Program. Kevin Kilkenny '70 volunteers countless hours each week to assist Brian Patrick King '97 with Development efforts. Bill Morsell '66 is also once again gracing our hallways

serving as Chair of our Admissions and Marketing Committee.

Bob Kelly '71 who recently retired from the Fire Department also is part of the illustrious group. Bob fixes locks and works with our Tuition Office to make sure all the alumni scholarships are being tracked. Bob's brother Jerry Kelly '61 continues to volunteer his time chaperoning basketball games, football games, dances and other events, alongside Mike Bannon '96 who also volunteers at every game and event.

Mark Adelsberger '80 along with John Jaskowiak '60 and George Schweizer '63 from our Alumni Association also camp out at Judge in their Alumni Office. Many others also come back and help our school continue to flourish. One person who served for many years after he retired was Jake Gaffney '61. Jake passed away a few years ago; however he loved spending his final years at Judge. His family stated that "Judge gave him a reason to live." He loved Judge. Jake worked in the Main Office at our Security Desk. Oh yeah and there is Huck and Duck. We will never get rid of these two.

So, how about you? We have many volunteer positions available. Come on back and walk our halls and help us continue our *Tradition of Success* and *Vision for the Future*. We'll even throw in a free lunch and some Judge gear. If you are interested, please call the President's Office at 215-338-9494 (x1103) or email Cathy at [cjelencovich@fatherjudge.com](mailto:cjelencovich@fatherjudge.com). Judge is an exciting place to be right now.

All smiles, Judge CFO, Pat McGonigal '81 & Ed Costello '66, Former Alumni President & Board Member pose for a photo.

As a current Board Member, Co-Chair of the Development Committee, and past Alumni Assoc. President, Kevin Kilkenny '70 is an vital part of FJ's success.
